Social Event Report		
	Year 7 Welcome BBQ 4 Feb was well attended. Original RSVP was 377 ended up with 424 attendees. P&C Flyers with meeting dates and events were handed out on the night. Special thanks to Margie, Lorraine, Wendy, Darrin, and their families who put in a lot of effort to make the night a success. Open Day - P&F are contributing cakes. Someone will be at gate on the day to collect cakes. Last year P&F organised someone to be at school day before to collect cakes this is not necessary as most were brought on the day. BBQ is run by Social Justice team. P&F have two packets of sausages left over from Welcome BBQ that can be used.	
Parent Support Network		
	Dianne reported that since last meeting one family is being supported.	
Principal's Report		
	See AGM Minutes	
General Business		
	Second hand book sale Was held one day only, number of books reducing due to increase in e-books.	
	Principal's Dinner Looking for volunteer to champion. Proposed date 18 May – venue will need to be book soon. Last year was held at Castle Hill RSL, food and service were good, DJ hired through RSL.	<i>Julie</i>
	Golf Day Last year a joint venture with St Bernadette's at Muirfield Golf course. Maria to contact St Bernadette's to determine if they are interested in a joint day again this year. Date to be set, a Friday near Fathers' Day.	
	Buses – impact of increase in Year 7 numbers? Currently number of buses is the same. Year 9 catch bus on Pennant Hills Road to station. It normally takes about 4 weeks for bus numbers to settle. Biggest issue is under croft is not big enough to corral all the girls.	
	Parents driving onto school grounds An increasing number of parents are driving onto school grounds to drop off and pick up. This is putting student safety at risk. Maria to include a notice in the newsletter. School is considering a boom gate.	<i>Maria</i>
Close		
	Meeting closed at 8.55pm with College prayer.
