

Mount St Benedict College

Play Softball for MSB

Season commences **SEPTEMBER 2018**

MSB's highly successful program enables girls who will attend the College in Year 7 in 2018 or 2019 to play Softball for MSB while still attending Yr 5/6 in other schools. The girls will have a chance to have fun, meet other girls, play softball and get involved in the school's community.

All MSB Softball Teams are coached by experienced Softballers who are either current or ex-MSB Girls.

Experience can range from beginners to experienced players. MSB has a range of teams including:

- Modball B - Beginners' Grade for girls 10 - 13 years
- Division 3 - Girls with some softball experience.
- Division 2 - Girls with over two years softball experience.
